ASAP offers Double SNAP for Fruits and Vegetables at participating markets in 2022.

HOW DOES DOUBLE SNAP WORK?
1. Bring your EBT card to the information table at a participating market.
2. Swipe your card for the amount of SNAP dollars you want to spend. Receive that amount in SNAP tokens—plus an additional match in Farm Fresh Bucks.
3. Use Farm Fresh Bucks to buy fresh fruits and vegetables. Use SNAP tokens to purchase SNAP-eligible foods.
4. No cash back for either token, but tokens do not expire!

EBT + Double SNAP for Fruits and Vegetables: Use SNAP/EBT to purchase market tokens at these markets. ASAP matches SNAP/EBT dollars with Farm Fresh Bucks, which can be used to buy fresh fruits and vegetables at participating farmers markets.

Farm Fresh Produce Prescription: ASAP is partnering with MAHEC and other area healthcare providers to prescribe patients with fresh fruits and vegetables, which can be filled at participating farmers markets.
