Vendor Representative Guidelines

In addition to owner(s), please list vendor representative(s) – family member, employee or intern involved in production, or farm coop partner.

Vendors and at-market vendor representatives must be involved in the production of products sold at market. An individual “involved in production” regularly grows, raises, or produces products sold at market.

Examples include: soil preparation, planting, transplanting, maintenance (weeding, watering, pruning, etc.), harvesting, animal care, food production (cooking, processing ingredients, etc.), art/craft design or creation, etc. Operational or administrative NOT considered as “involved in production” include: equipment maintenance, bookkeeping, staff supervision, packaging, etc.

This requirement is clearly and specifically meant **to exclude vendor representatives who are hired primarily or solely to do the job of product representation and market sales.** Volunteers or interns of a similar nature are also not allowed.

Limited use of fill-in market representatives due to circumstances beyond the vendor’s control must be approved by the market manager in advance. Emergencies will be given due consideration. Excessive use of fill-in representatives may result in loss of market dates or exclusion from market participation.

Please describe each representative’s involvement in production.

Risk Management, Insurance and Hold Harmless Provisions

Asheville City Market's risk management efforts include best practices, education, and enforcement to promote a safe and healthy environment. Vendors must participate actively in these efforts and take all steps necessary to assure health and safety.

Vendors, as a condition of participation in the Market, agree to the following hold harmless provisions:

Each vendor participating in the Asheville City Market shall be responsible for any loss, personal injury, deaths, and/or other damage that may occur as a result of the vendor's negligence or that of its servants, agents, and employees, and hereby agrees to exonerate, hold harmless, indemnify and defend Asheville City Market and A.S.A.P., its successors and assigns, from and against any and all losses, damages, claims, suits or actions, judgments and costs, and attorneys fees which may arise or grow out of any injury or death of persons or damage to property in any manner connected with the vendor's products, operations, or vending at the Market.

A.S.A.P. holds general liability insurance for Asheville City Market. This insurance DOES NOT cover vendor spaces or products. Vendors must have insurance covering participation in the Market. As it is not practical for the Market to manage each individual vendor's insurance coverage, this is a self-enforced requirement.

Oversight Committee service

_____ I would be willing to serve on the Oversight Committee as an elected or appointed member (eligible for service after first year requirement)

Vendor Agreement

Asheville City Market requires that all vendors comply with standards of professionalism that promote open communication, mutual respect, and the best interests of the market. Disruptive actions or remarks that undermine the shared success of any or all of our community of vendors are unprofessional and unacceptable. Failure to comply with these standards could result in suspension or removal from the market.

I submit that the information provided for my participation in the Market is accurate and complete and I agree to abide by the provisions of this application as well as the Market's governing policies as described in *Asheville City Market Rules & Regulations* (provided by email or available online).
